Live Scorecards

Database initialized successfully with dummy data (if tables were empty).

Live Cricket Scorecards

Real-time updates on ongoing matches. Data primarily from Cricbuzz API.

Fetching live match data failed or API returned no data / inconsistent data. Displaying data from database.

Scores will refresh automatically every 30 seconds.

Refresh Now

API data is not a list of dictionaries. Received type: <class 'NoneType'>

Match ID	Type	Series ID	Series	Description	Format	Start Date (ms)	End Date (ms)	State
